

SALDARRIAGA MERA JOEL

WEB DEVELOPMENT FRONT-END

EXPERIENCE

- NOV 2022 - APRIL 2023** **Bootcamp of programming**
I learned the best programming techniques and worked on various projects which are in my personal portfolio.
- MAY 2019 - NOV 2019** **CompuStore services**
I did my internships there, where I learned topics related to the internet, web pages, software development, etc.
- FEBRUARY 2020 - JULY 2020** **Radison restaurant**
It was not related to technology but I learned how the business works, how to deal with customers, listen to what they need, among other things that make a good customer experience.
